# Make an impact.

You're invited to attend the sixth annual MSC Helps fundraising luncheon to benefit Multi-Service Center. John Theisen, former CEO of Orion Industries, will receive the inaugural MSC **Help, Hope, Change Award** in recognition of his contribution to the success of others in our community.

You will be inspired by keynote speaker Dr. Brenda Combs as she shares the story of how she fell into a bad crowd, began using drugs, and dropped out of school. Her life continued on a downward spiral, leading to her becoming homeless and serving jail time. "The day I woke up on the streets and someone had stolen the shoes off my feet was the day I knew I had to change my life." Dr. Combs began taking major steps to reenter society as a productive individual. Once she set her sights on becoming a teacher, there was no stopping her. Her path from homeless to hero is one you won't want to miss.
