
ENRICH

EMPLOYMENT SERVICES

- Trial work and community based assessments that accurately assess the core work skills of the customer
- Connecting with other community resources such as DVR, Pierce Transit, and benefits planning
- Job Development process that focuses on the value the job seeker brings to the table and matches that value with needs of the employer
- Job Coaching which builds the customer's self confidence to work independently and meet the expectations of the employer
- Retention Services that also include advocacy for continued growth in job skills and career opportunities
- Beyond High School Planning: ENRICH staff are open to attending final IEP planning meetings and to assist in developing those next steps

OUR VISION

Access to the community will be available to all.

Our community will have respect, consideration and dignity for all.

Everyone will be valued and accepted for his or her individuality and character.

Basic needs are met and people will have safe, healthy environments.

All people will be valued for the contributions they make to the community.

People will embrace employment.

People will have the community connections of their choice.

An environment will exist where everyone can achieve self advocacy.

OUR MISSION STATEMENT

Increase community awareness, cultivate work resources and build relationships that utilize the gifts of all people.
